d-COPIA 200D and 201D

MULTIFUNCTIONAL DIGITAL COPIERS

Olivetti's A4 multifunction digital products, the d-Copia 200D and d-Copia 201D, with copying, printing and colour scanning features, are the perfect solutions for small offices and professionals.

These compact models are equipped with an **internal paper output tray**, a **duplex unit** for double sided and a practical **multi bypass feeder**.

They also offer **colour scanning capabilities** that can be activated either by the intuitive button, present on the operator panel, or directly from the PC.

The configuration of these MFPs differ slightly: The d-Copia 200D is delivered with a platen cover for originals while **d-Copia 201D has a 50-sheet automatic document feeder and is set up as a network printer.**
